TRICK OR TREAT CHOCOLATE PUMPKIN PORTER

What is the style?

Porter

What is the taste profile?

Trick or Treat is our pumpkin porter brewed with chocolate and spices. This is not your typical pumpkin beer by any means. This is a deep, dark, decadent seasonal delight that is sure to warm you up as the weather starts to cool off. First we brew a rich robust porter that is spiced with cinnamon, clove and nutmeg. Then we UP THE ANTE and make it truly our own by adding chocolate post fermentation. Trick or Treat is a spicy, rich, unique, and full-bodied dark ale with all the comfort and warmth needed to survive the chilly and ever-lengthening autumn nights.
